

Audiologists: Elevate Your Career in One of Ohio's Best Communities!

Are you an Audiologist ready to make a meaningful impact in patients' lives while thriving in a supportive, collaborative, and welcoming environment? Join [**Wooster Ear, Nose & Throat Associates**](#), a highly regarded practice located in one of Ohio's best places to live (as ranked by niche.com)!

Why Wooster ENT?

We're more than just a workplace—we're a family. At Wooster ENT, your contributions will be valued, your expertise celebrated, and your growth encouraged. Join us in delivering exceptional, patient-centered care in a vibrant community you'll love calling home.

A Typical Day in This Role Includes:

- Conducting comprehensive diagnostic audiological testing.
- Delivering advanced amplification services like hearing aid assessments, real-ear measurements, and live speech mapping.
- Collaborating with physicians to recommend solutions for hearing disorders.
- Educating patients about options and guiding them toward personalized hearing care solutions.
- Dispensing, fitting, and managing hearing aids, including follow-up care and education.
- Handling repairs, exchanges, and returns of hearing aids with ease and professionalism.

What We're Looking For:

- **Education:** Master's or Doctoral degree in Audiology (Au.D.) as required in Ohio.
- **Licensure:** Current and in good standing in the State of Ohio.
- **Certification:** Certificate of Clinical Competence in Audiology (CCC-A) is optional but a bonus!
- A passion for patient care, collaboration, and staying at the forefront of audiology practices.

Why You'll Love Working Here:

- **Robust Benefits Package:** Including 401(k), health insurance, vision insurance, and paid time off.
- **Career Growth:** We support your professional development through assistance and learning opportunities.
- **Work-Life Balance:** Join a patient-focused, well-established team where balance and support are priorities.
