

# Your Career Awaits in Hunterdon County

Hunterdon Otolaryngology & Allergy Associates is seeking a passionate and skilled audiologist to join our dynamic team! With offices in Flemington and Hillsborough, NJ, we pride ourselves on providing exceptional patient care, the latest audiological advancements and ethical decision-making.

Our audiologist will work with patients of all ages, providing comprehensive diagnostic and rehabilitative audiologic care. They will perform a full range of services, including hearing evaluations, VNG testing and hearing aid fittings.

## About Us

We are a collaborative, patient-centered practice with a strong reputation in our community.

## Our employees enjoy:

- Competitive salary plus commission
- Medical, vision and dental insurance
- Disability insurance
- Paid time off
- Paid holidays
- 401k retirement plan
- Profit sharing plan

## About You

- Au.D. level or highly experienced Master's level Audiologist
- Licensed or eligible for licensure in New Jersey
- Ability to work independently while collaborating with ENT specialists
- Excellent patient care and communication skills

## Work Where Others Vacation!

Nestled among scenic river towns and rich history, Hunterdon County offers the perfect balance of small-town warmth and modern convenience. With top-rated schools, low crime rates and a strong sense of community, it's an ideal place to live, work and play. Enjoy outdoor adventures, vibrant farmers' markets, award-winning wineries and charming boutiques—all without the congestion of big-city life.
